Vtisi

Zelo rada se udeležujem delavnic, ker se vedno naučim nekaj novega o sebi. Tokrat so znanje z nami delili 4 različni mentorji. Vsak s svojim pristopom, vendar z enakim ciljem.

»Kako biti dober igralec in kaj to sploh pomeni?«

S svojo metodo so nas poskušali približati odgovoru na to vprašanje. Trdijo, da se odgovor skriva v trdem delu in NE talentu. Talent je samo tvoja odrivna noga.

Vtisi

Zato smo se vsak dan spraševali in raziskovali. Pred prihodom na Slovaško smo od vsakega mentorja prejeli gradivo, ki smo si ga morali prebrati in v nekaterih primerih celo naučiti na pamet. Teksti, ki smo jih prejeli so bili osnova za raziskovanje in podlaga za nadaljne delo. Vsak je z nami delil svoje poglede in principe dela. Pri tem so bili zelo natančni in učinkoviti, saj so imeli za delo z nami na voljo samo en dan.

Vtisi

Delavnice so bile odlično organizirane in časa za počitek praktično nismo imeli. Delo je bilo zelo intenzivno, vendar se je izplačalo. Domov sem se vrnila z novim znanjem in prav tako z novimi vprašanji o sebi in delu, ki ga opravljam. To je tudi razlog zakaj vsakemu priporočam, da se udeleži takšnih projektov.

Namig: Letos so takšen sklop delavnic organizirali prvič, vendar ne zadnjič.
